Instructions

1. Adjectives come in a set order, and one silly sentence helps you remember it: **N**ine **O**dd **S**loths **A**te **S**ix **C**runchy **O**range **M**uffins.
2. That is number, opinion, size, age, shape, color, origin, material, and then the noun.
3. So we say "two nice old wooden chairs," not "two wooden old nice chairs."
4. Number the tiles 1, 2, 3, and so on to put the words in the right order.
